Ready to find a loving and caring home. The puppies have been raised in a warm and friendly environment, with both of their parents present throughout. They all have great temperaments, are ever so loving and gentle, yet also fun and playful. They are also great with children. They have been health-checked by a vet, wormed, micro-chipped, fully vaccinated, and had first flea treatment.

Any questions or for more information, feel free to get in contact.
